All Packaged Services are billed in advance the first week of every month; all overages are billed on the following month's credit card transaction.

Offer Rules and Restrictions

A credit card is required for network packages. *Setup charges for i-RemoteBackup, and i-NetworkMonitor are not included. i-RemoteBackup data over the allotted package amount will be charged overages of \$1 per/GB/Month. Network Package Price will be billed on a monthly basis to credit card; all overages and additional network service charges will automatically be billed to that same credit card, but may be listed as a separate transaction or invoice. **Network Service Hours DO NOT carry over to following months and DO NOT accrue.** Business must sign up for a one year commitment for this discounted package price. All packages automatically renew annually subsequently to a (1) year commitment. Early termination or cancellation must be in writing, and if applicable, a fee equal to 3 months will be charged if cancelled within 12 months of start date of packaged services.

Please complete the following form to Sign-up

I would like to sign up for one of the above network service packages, I have read and agree to the rules and restrictions listed above. I also agree to allow Information Point Technologies to charge the listed service charges to our credit card on file. Since you are signing up for recurring services, if you have not already done so, you will need to complete the following form ([Credit Card authorization](#)) located at: <https://ipoint-tech.com/terms-of-service-and-acceptable-use-policy-18> and fax to (970) 266-0704 or email it back to wbleich@ipoint-tech.com
